Board Member Comments & Questions

Public Comment

(The Orange County School Board encourages citizen and staff participation and comments in its public meetings. Anyone wishing to address the School Board should complete a card (3" x 5") available at meetings. In the interest of time, we ask that remarks be limited to three minutes unless the Chair makes an exception. While we want to hear the concerns of our citizenry, we will not entertain comments about school personnel. Personnel concerns should be addressed with the administration. We cannot respond to your concerns during the meeting or a public hearing. If you submit your concern or question in writing, we will provide a response. Thank you for your interest in Orange County Public Schools.)
